IT ALL STARTED 15 YEARS AGO!

15 years ago is when I opened the doors to **Beach Music Studios** in the **Belmar Plaza**, **732-280-1181**. Since then BMS has taught almost 3,000 students, employed over 50 musicians, music educators & recording engineers. Since 2007 the **Beach Music** Rock Band kids (BMRB) have performed 78 shows. Me and The Danny White Band under the **BMS** banner raised over $8,000 to repair homes for Sandy victims & we've collected thousands of toys during the holiday seasons for Belmar & Asbury Park kids & single moms at the Manna House. I want to thank all the teachers past & present who have helped to make **BMS** what I believe is a comfortable environment for students, parents & bands to discover & practice music & to build their confidence. I want to thank Belmar & the surrounding towns for supporting **BMS.** Most importantly, I want to thank the families of **BMS** who have chosen to trust **BMS** with their children & their music education. All these families & students who have become FRIENDS...owner Danny White.

I HAVE MORE ENERGY

"I have been on many different diets. This doesn't feel like a diet, it feels like a lifestyle change and that, overall, I have more energy and I generally feel better. All of the different supplements have really helped curb any hunger I was having in the beginning. The program helps you stay on track and feel better over time. I am down almost 60 lbs. and on track to avoid bariatric surgery thanks to Dr. Garrow."

Jennifer S.,
Chatsworth, NJ

THIS PROGRAM IS LIFE CHANGING

"After major bariatric surgery years ago, my weight began to creep back. Dr. Garrow gave me the education, tools and support to make the right food choices without feeling like a slave to dieting. I enjoy what I eat, my energy level is high, my joints feel better. There is no way to explain the success of this program but seeing over 65 lbs. melt away… says it all!"

Joe W.,
Brick, NJ

SHOES ARE TOO BIG

"Even my shoes are getting too big! After 3 months, I am down 30 lbs. and I broke down and shopped for a few more inexpensive items to wear to work YIPPY!"

Dee L.,
Manasquan, NJ
